

## **Acknowledgement**

We would like to express our deep appreciations to the Captain Fusao Saito, and his crews of R/V Natsushima and the chief operator Kazuya Mitsufuji and his team of ROV Hyper-Dolphin for their professional operations that led us to the success of the program. We are very grateful to radio officers Masamoto Takahashi, Yoichi Inoue, and Yohei Yamamoto for the their great efforts of operation of SeaBat and XBTs, and the data editing, processing, and making maps.

Last but not least, we thank JAMSTEC, BPPT Headquarters for the budgets of the programs.
